

CATDC has a continuing commitment to bringing equity to the center and ensure meaningful connection and belonging in all of our programming and events. You can see this reflected in our [Equity Statement](#) and [Strategic Plan](#). The successful candidate for the SCPD position will have the experiences, knowledge, and skills to recruit and retain facilitators, work with them to design inclusive program curricula and pedagogy for online and in-person environments, and engage in outreach to schools in ways that reflect and enhance this commitment. Using the job announcement for this position, please list at least two areas of responsibility you see as directly related to fulfilling this promise, and explain, in each case, how your past education and experiences, and resulting knowledge and skills, have prepared you to do this work at CATDC.
